Re: *The State of Texas et al. v. Google LLC*, No. 4:20-cv-00957-SDJ (E.D. Tex.)

Dear Special Master Moran,

During the August 12, 2024 hearing regarding Meta Platforms, Inc.’s (“Meta”) June 12, 2024 Motion for a Protective Order (*See* Dkt. 521), the question arose whether the trial exhibit list Google filed in *United States v. Google LLC*, No. 1:23-cv-00108-LMB-JFA in July 2024 (the “Google EDVA Exhibit List”) includes any documents or data from Meta that were not produced in the above-captioned litigation or in response to Texas’ October 5, 2020 CID (collectively, the “Meta Texas Productions”). We write to confirm that all the Meta documents and data that Google included on the Google EDVA Exhibit List were also produced to the State Plaintiffs on or prior to May 3, 2024, as part of the Meta Texas Productions.¹

Sincerely,

A handwritten signature in blue ink, appearing to be "DB", written over a faint, stylized background.
